

ANIMED™

ImmuAid Echinacea, Garlic and Seventy Anti-Oxidant Compounds

ImmuAid is a synergistic, balanced combination of nutrients designed to nutritionally support the optimal function, maintenance and performance of the immune system.

- Provides L-Lysine - essential to the formation of antibodies; Zinc - involved in over 200 body functions including, reinforcing the immune system and the healing of wounds; Garlic - which acts with an antibiotic effect.
- Contains Rice Bran - the only natural source for the newly discovered Vitamin E complex called Tocotrienols; potent antioxidants that protect the body from damaging free radicals. Rice Bran also contains significant amounts of the essential fatty acids and linoleic acid that is necessary in order to maintain full health.
- Supplies Arginine - an essential amino acid which stimulates the immune system and aids in wound healing.

Each ounce contains (minimum):

DMG 2000mg, Lysine 6800mg, Vitamin A 140,000IU, Zinc 1600mg, Vitamin C 1500mg, Vitamin E 1000IU, Bioflavonoid 885mg with Rice Bran, BYW-35, Garlic and Echinacea

Available in a convenient wide mouth container and packaged with a scoop for ease of feeding;
16ounce
