

AniMed's™ Vitamin E & Selenium breaks the commodity status!

AniMed's Vitamin E & Selenium blend is formulated to supply the antioxidants Vitamin E, Selenium Yeast and Zinc; which help support the immune system and may help protect the body's cells and tissues from free radicals.

AniMed's Vitamin E & Selenium also contains the following natural ingredients:

Promotes the best possible digestion, stabilizes cecal and colon pH and promotes gastrointestinal health, stability and integrity.

Selenium in its natural form; the same range of selenocompounds present in plants - the form animals are best able to absorb, store and utilize.
